

Homework 3 - Grading Guidelines

Total points: 10

1. **8 points** for the index entries to the words mentioned in the assignment instructions.
2. **0.5 point** for the log file generated from running the job on the full data.
3. **1 point** for the inverted index file generated of the book "*Bram Stoker*____*The Jewel of Seven Stars.txt*". (Run a separate job with only this book as input).
4. **0.5 point** for a screenshot of the output folder for the job.
